Centralized Software:

Soccer representatives (Judy Lucarelli and Sue DiNatale) still need to meet with Matt Chin.

St James Update:

Owen Dugan reported there has been a preliminary meeting with the closest neighbors.

Steve Burt reported that Jim Conlin made a presentation to the School Committee outlining a possible proposal for a pool to be built at the Sprague complex in the area close to the tennis courts.

Field Request:

Prime Time Lacrosse has asked to rent fields for a weekend tournament in June (at Sprague, 2 turf/1 grass; June 18 & 19; 9 am-5 pm). They did the same thing last year. Ed Lasch will consult with the soccer board and then will email Jan Kaseta with the answer.

Field User Account:

FY'11 field fees collected report was distributed.

Outstanding fees include: Little League (spring, summer, fall and light fee); Bede Soccer Camp; and Kid's Time.

Mike Quinn asked if Youth Football is paying field fees. They are not currently paying fees for field use, only for the lights. Youth Football was only suppose to be one team, for one season, so we only charged them for the use of the lights. Now that it looks like they will continue to play in Wellesley and their numbers have grown, we will have to talk to them about user fees.

Tom Harrington will follow up with Kids' Time.

General Fields Discussion:

Mike Pakstis said that money is available for work/improvements to take place at Perrin.

Mike Quinn asked that all turf field users get together and determine exactly how they want those fields lined. Tom Harrington said that we will put it on the next agenda.

Next meeting:

No meeting in December

Next meeting - Friday, January 14th, 7:45 am @ Warren.

Motion: To adjourn by Steve Burt
